Protect the Future of Your Success.

With the dramatic increase in the number of lawsuits being filed against health-care professionals, nurses are frequently finding themselves being added to the list of defendants. That's why nurses need a source of information that helps to reduce their liability risk.

NAACOG's *Professional Liability Series* provides clinical nurses with the most relevant information needed for effectively dealing with complicated liability issues. The series is written by nurses and attorneys who understand the unique role and responsibility of nurses.

The series contains all you need to know to reduce your risk of potential liability. **Don't risk the future of your career by not ordering a copy of the *Professional Liability Series* from NAACOG.**

ORDER NOW!

Individual copies sell for $20 plus $2 postage and handling. Discount rates available for bulk orders, call (202) 638-0026 ext. 264.
